Product Features

RAPTOR's Waterproof Winter Glove features triple-layer technology built from an insulating micro-fleece liner, waterproof/windproof membrane and durable outer shell.

- 1 Stretch nylon outer shell form-fits to top of hand for superior dexterity
- 2 Foam padding on knuckle provides extra top of hand protection
- 3 Reinforced synthetic suede fingertips add protection
- 4 Non-slip saddle extends durability and grip in critical wear area
- 5 Terry cloth thumb to wipe away sweat and debris
- 6 Neoprene cuff with Velcro closure adds wrist support and locks out cold
- 7 Double stitched bonded nylon thread secures reinforcement in place
- 8 Flexible non-slip reinforcement grips in wet conditions and resists abrasion
- 9 Durable synthetic suede base layer does not shrink, stretch or harden
- 10 A soft, insulating micro-fleece inner liner keeps hands warmer
- 11 Waterproof/windproof membrane middle layer

Warranty

RAPTOR tools are covered by a standard 1-year product warranty against defects in materials and workmanship. In an effort to continually improve our products, FEI will make design changes from time to time. We reserve the right to ship newly designed product to fill any order unless it is agreed in writing to do otherwise.
